

**Customer User Manual –**  
**Product Search & Order**

On sign in to Appline, following screen will appear which is called “Home Screen”.

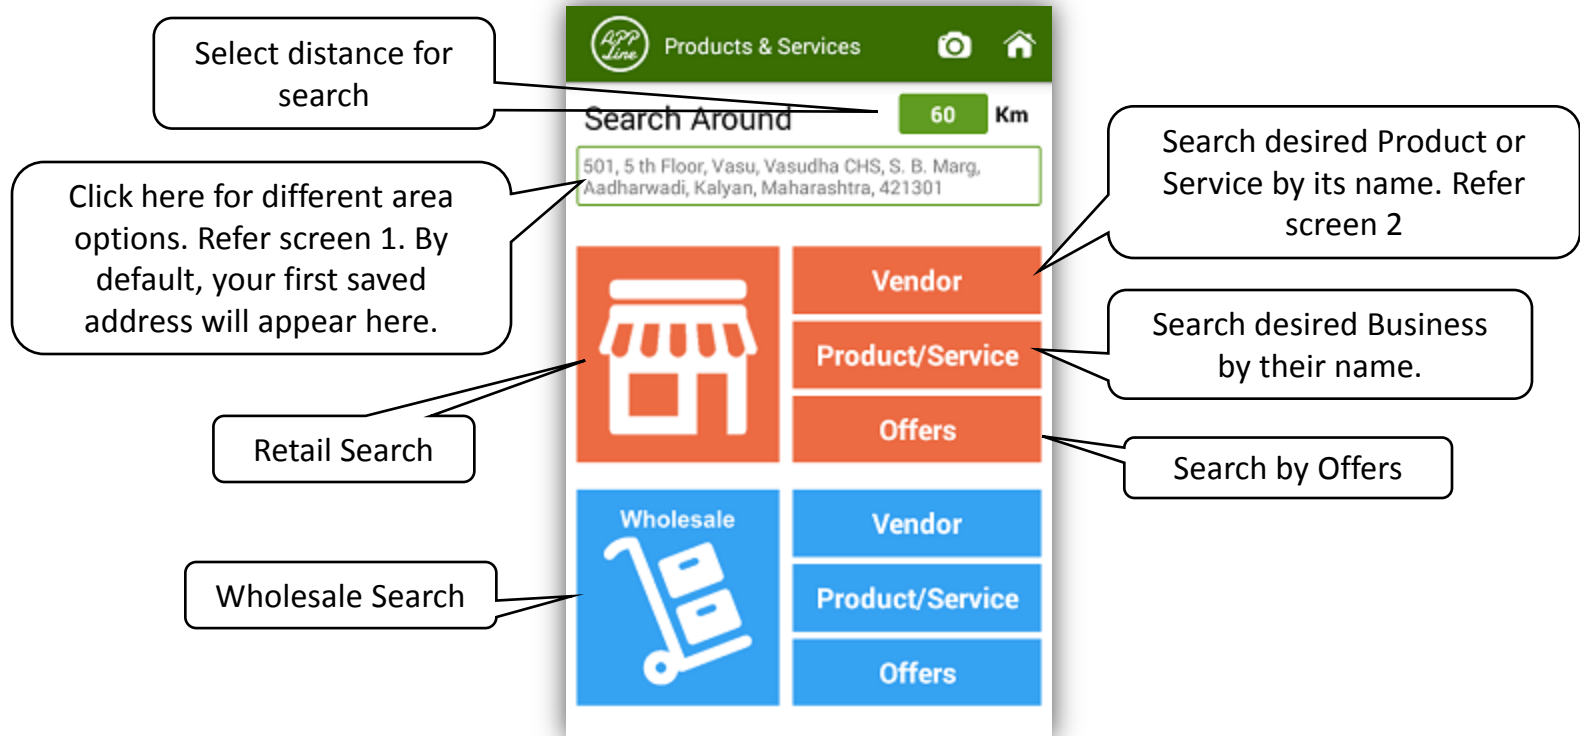

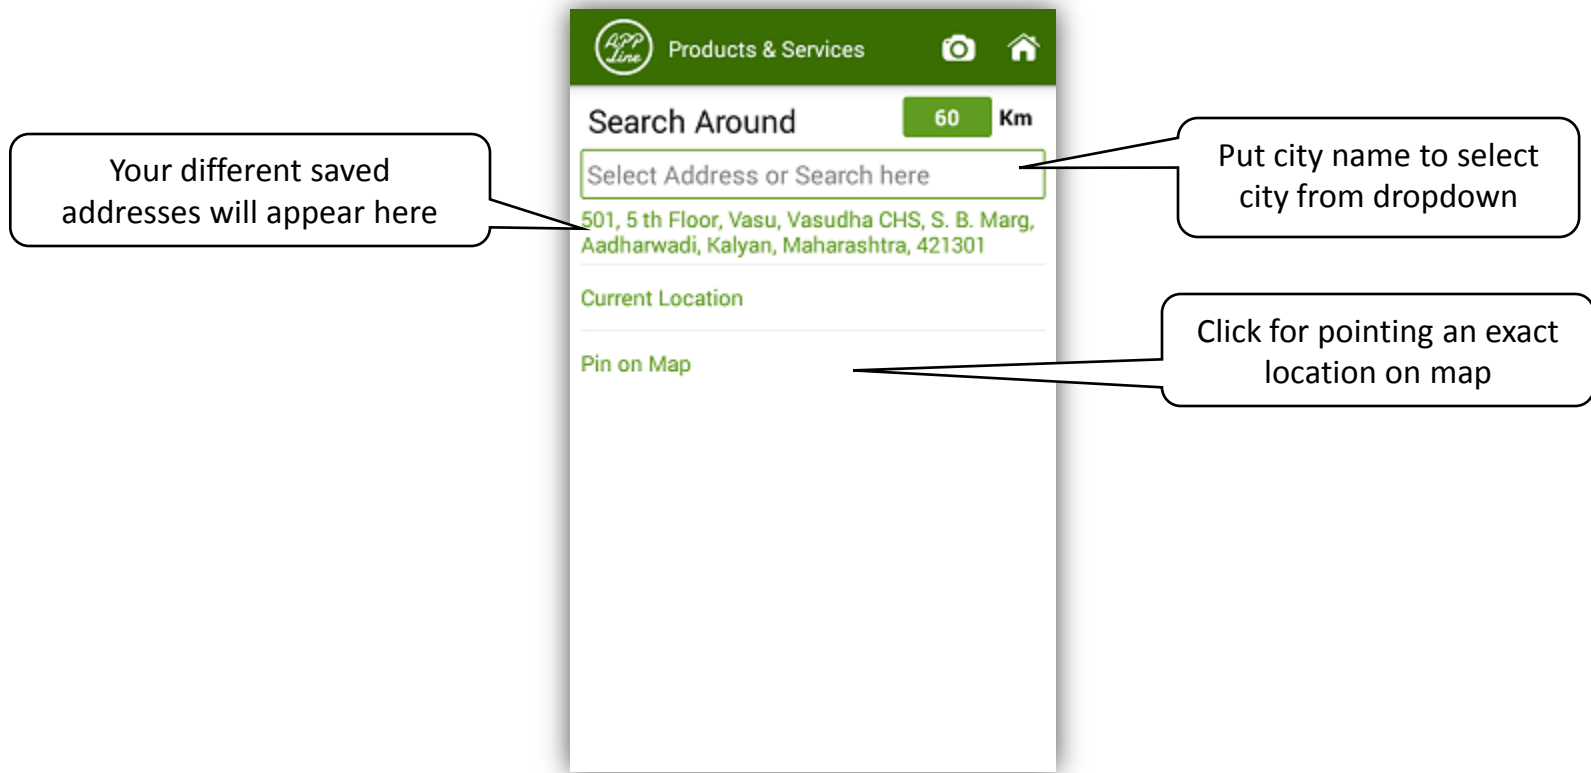

### How to Search Product or Service & Place an Order?

You can search product or service & place your order in following ways:

- I. Search by Product or Service Name: - Select desired products or services → select local vendor selling that product & place order **OR**
- II. Search by Vendor Name: - Select Local Vendor → select your products or services list & Place order **OR**
- III. Search by offers: – Select offers – >select local vendor giving that offer & place order.

After clicking Product & Service button on home screen, following screen will appear.

**Screen -1**

On clicking Product or Service in above screen following screen will appear.

**Screen -2**

While searching Product name “Oil” in screen 2, following screens will appear.

The image displays three sequential screenshots of a mobile application interface, illustrating the user flow for searching for 'oil'.

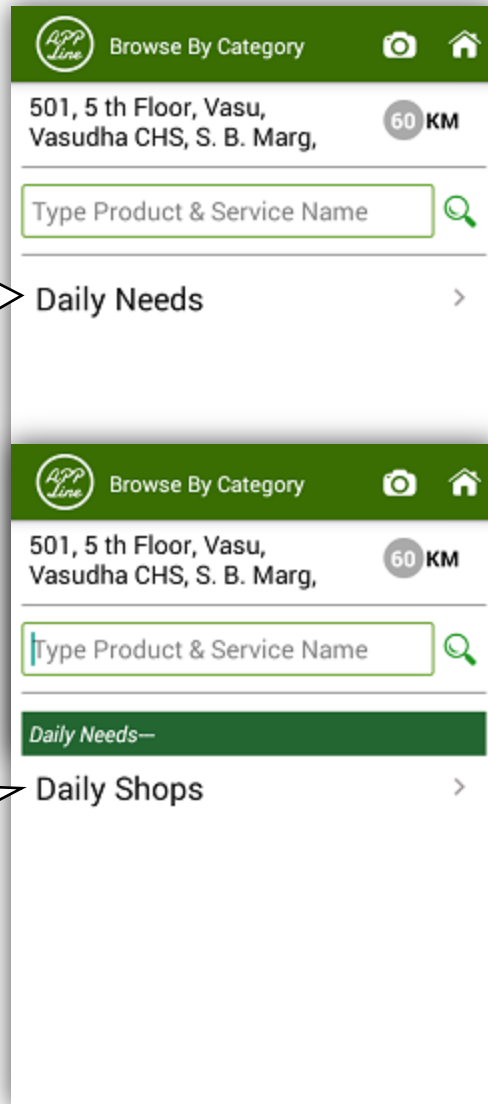

**Top Screenshot:** The app header shows 'Browse By Category' with a camera icon and a home icon. The address bar displays '501, 5 th Floor, Vasu, Vasudha CHS, S. B. Marg,' and a distance of '60 KM'. A search bar contains the text 'oil' with a magnifying glass icon to its right. Below the search bar, the results list 'Oil' and 'Oily'. A callout box points to the search bar with the text: 'Click here to select & search'.

**Middle Screenshot:** The header is 'Products Groups' with camera and home icons. It shows two expandable categories: 'Daily Needs > Daily Shops > General Stores' and 'Daily Needs > Daily Shops > Kirana Shops'. A callout box points to the first category with the text: 'Click on a category to see product groups'.

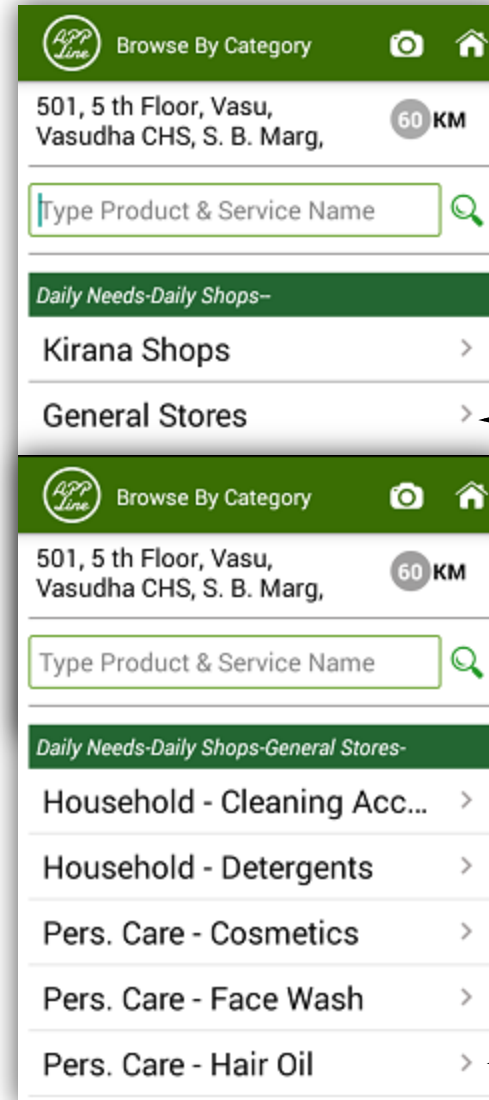

**Bottom Screenshot:** The header is 'Products Groups' with camera and home icons. It shows the expanded 'Daily Needs > Daily Shops > General Stores' category with sub-items: 'Household - Cleaning Accessories', 'Pers. Care - Hair Oil', and 'Pers. Care - Face Wash'. Below it, the 'Daily Needs > Daily Shops > Kirana Shops' category is expanded to show 'Edible Oil'. A callout box points to the 'Edible Oil' item with the text: 'Select product group to see products'.

- By clicking on category name in screen 2, following screens will appear.
